

Peacock Productions, Inc. presents the
30th Anniversary of

June 25, 2017
Washington Park Amphitheater

Peacock in the Park Sponsorship Opportunities

What: Peacock in the Park is an all-ages, family-friendly, summertime fundraising extravaganza that includes live music, drag queens, singers, dancers and more. An estimated 5,000 audience members show up early to stake their claim to a patch of grass for the mid-day, all-volunteer show.

The event promotes community, shares LGBT cultural norms, presents the year's scholarship recipients, and raises funds to benefit the Audria M. Edwards Scholarship Fund for the following year.

Since 1992, over \$270,000 has been awarded to LGBT students attending college or technical school. This will be our 21st show in the park and we couldn't be more excited!

Goal: \$100,000 in cash and in-kind support to send our LGBT youth to school.

Cost: Admission is free for the community because the event is underwritten by sponsors like you. Food, beverages and memorabilia will be for sale. Beer and wine is permitted when consumed responsibly.

When: June 25, 2017, Park opens at dawn and the 3-hour show begins at 2:00PM but the picnic and pre-Show starts at Noon.

Where: Washington Park, Amphitheater (near rose test gardens), Portland, OR.

Why: Being gay or lesbian, bi or trans, or even questioning has its own set of assets and struggles, not the least of which often is the loss of family support. Our LGBT community has forever rallied for one another in times of need- even becoming "family" where there is none. The funds raised on June 25 will make an undergraduate degree or certification possible for a young person in need. Help us create hope.
